Personal Statement

Please write a few words telling us why you would like to study this course and what other courses you would like to do next (if applicable) and how you think these courses will help you in the future. If possible also tell us about any work experience you have.

International Admissions Procedure

1. Complete this application form and send it either by the post, fax or email it to the International Office.
2. If we can offer you a placement then we will send you an informal offer by email. This will state the course, start and end dates, the course duration and tuitions fees payable. We will also ask you to pay a **non-refundable** deposit so that we can reserve a place on the course for you. **Note:** that the informal offer will not help you to obtain a UK Visa.
3. When we receive your deposit we will reserve a place on your chosen course and issue you with an **Acceptance letter**. This is the document that will need to apply for a student visa at your local British Embassy or High Commission.

International Admissions Policy

- A **Non-Refundable Deposit of £300** is required for all courses.
- You must pay the remaining balance before or on your first day at the Manchester International College. The amount must be paid in full. Payment by installments will not be accepted.
